ABOUT US

The development of any big company starts with a first small step. This also applies to **LUMIFOG PVT LTD.** The small company founded in 2017 had nothing to do with manufacturing of **AIR CONDITIONING** Products. At that time **LUMIFOG PVT LTD.** was successful in the fabrication work, achieving considerable success. During those supply problem arose that had to be solved. Good manifold & processing spares were not found. The solution was to make quality manifold & accessories for **CHILLED WATER AND HOT WATER SUPPLY.** One small step, an initial idea that has been consistently expanded upon, leading to an internationally company which continuously drives the **AIR CONDITIONING** industry with new developments.
